

FOR MENTAL HEALTH ENVIRONMENTS

Crown Furniture is pleased to introduce fresh direction in furniture design specifically to meet the requirements of Mental Health Care

Our New range represents a breakthrough in the following areas:

- Very heavy duty engineering construction methods
- Meets rigorous strength & stability criteria
- Ability to coordinate colour & design to represent "at home" environments
- Choice of contemporary/traditional design
- Friendly consultant advice

LOUNGE

FREIDMONT

- Classic home style design
- Solid box carcass for endurance
- Soft touch yet resilient flame retardant foams
- Select styles with fixed or loose cushions
- High grade commercial vinyl and moisture barrier upholstery

DINING

DASH - Sled base option reduces weaponry risk

JOLLIE - Meets ultra challenging environments. No grip points. Weighted option

JENS - Harness simplistic timber design

- One piece seat and back
- Fully welded frame
- Stacking
- Optional seat pad

BEDROOM

GALLERIE X

- Non ligature design awareness
- High security drawer runners
- Optional locks
- Extra weighted options
- Clean form & functional design

giving the freedom to live safely
