

/ Elaria Lounge

Introducing the Elaria Robust Plinth Lounge, a contemporary seating solution perfect for high-demand environments. With its elegantly rounded edges and modern design, it seamlessly combines visual appeal and safety. The lounge features fire-resistant foam, sturdy fasteners, and an anti-ligature design, ensuring a hygienic and secure setting. Its fully enclosed base and smooth, easy-to-clean surfaces make it both practical and stylish.

CREATE THE PERFECT PIECE FOR YOUR PROJECT

All our furniture can be customised with our extensive range of fabrics and finishes. Contact us for more information.
